"Heathens" lyrics

AURORA Lyrics

"Heathens"

She bargains with the world
So everything she wants will come to her
With no greed inside her mind
She knows what she deserves

We fell from sky with grace
And landed in her soft and warm embrace
She gave her love, her gift of life
So we could live with her

That is why we live like heathens
Stealing from the trees of Eden
Living in the arms of freedom
And everything we touch is evil

That is why we live like heathens

The stone, the dirt, the dust
The unforgiving promise made to us
Unworthy of your light, your god, your touch
We're guided by the lust

We cry the fallen names
We cry for those who burned beneath the flame
We stand besides the good and brave
The broken and enslaved

That is why we live like heathens
Stealing from the trees of Eden
Living in the arms of freedom
And everything we touch is evil
That is why we live like heathens

Everything you touch
Will be
Hers
Our mother with no heart
Will give
Love

Her love is yours
But only if you give your heart to her

That is why we live like heathens
Stealing from the trees of Eden
Living in the arms of freedom
And everything we touch is evil
That is why we live like heathens
That is why we live like heathens
That is why we live like heathens
